Happy Mother's Day from FXB!

Following us on social media is already helping us!

Watch our documentary **"Generation Rescue"** and witness the daily lives of four exceptional mother with great courage, resilience and determination, who were able to escape extreme poverty, build a path to autonomy in order to raise their children with dignity.

Hi Friend,

Just like mothers around the world, you want nothing else but for your children to be happy. Every day, you give so much love to your children and are willing to do anything to make their lives meaningful.

Albina, FXB's Founder, is a mother just like you. She overcame unfathomable loss and decided to continue her son's legacy of helping people. FXB provides access to nutrition, education, health, and housing to mothers and their children to meet their immediate needs while helping mothers' become economically self-sufficient, so that they can continue providing for their families for years to come.

Can you join FXB and help a mother in the poorest of the poor families provide for her children? [Donate now!](#)

Albina started this cause but we need your help to continue it. Join the mother and help a mother from one of the poorest of poor families.

In our [FXBVillage](#) programs, mothers are most frequently the ones who engage in the program with courage and enthusiasm, in order to offer a dignified life to their children.

Christine, mother of 5 children

In Rwaza, Rwanda, Christine, a 38 years old mother, was widowed in 2013 and had no means of supporting her family. Her young children were suffering from malnutrition. With the integrated support from the FXBVillage Model, Christine and her children received access to a balanced diet, health insurance, counseling, and business training. Now, her children attend school and Christine is proud them and their accomplishments. With the startup capital from FXB, Christine invested in pig rearing, trading shoes and a restaurant. Now, Christine is planning to make improvements in her house so that she can have a better home for her loves ones.

FXB International (FXB) is a non-governmental organization with a 27-year history of breaking the cycle of poverty. Present in 14 countries with a staff of 450 collaborators, its mission is to provide families living in extreme poverty with the tools and support they need to become self-sufficient, able to raise their children in safe environment and give them a future. Using in particular a pioneering, comprehensive and field-tested model known as the [FXBVillage](#) program, FXB simultaneously tackles the five drivers of poverty—lack of nutrition, health, education, housing and income—while building families' capacities to overcome poverty and become self-sufficient in the long term.

In the last 27 years, FXB International has already developed [167 FXBVillage](#) programs across [nine countries](#) - Burundi, China, Colombia, DRC, India, Mongolia, Rwanda, Thailand and Uganda - [helping more than 83'000 people out of extreme poverty](#).

In addition to the FXBVillage programs, [17 million adults and children across 20 countries have benefited from the presence of FXB in their communities](#) through sustainable community development, infrastructure rehabilitation, education, HIV/AIDS and other diseases prevention, awareness and access to water and sanitation programs.
